

Principal Examiner

OCR (Oxford, Cambridge and RSA Examinations) is a leading awarding body offering a range of general and vocational qualifications.

Principal Examiner – STATISTICS

OCR invites applications from suitably qualified personnel for the position of Principal Examiner for the following specification:

- STATISTICS 3 (Z3)/Advanced Subsidiary GCE/AS STATISTICS (MEI)

The key responsibilities for the Principal Examiner post are:

- Setting the question papers and mark schemes
- Monitoring the standards of marking of all examiners for the papers
- Recommending grade boundaries to the Awarding Committee
- Involvement in INSET Training (as appropriate)
- Ensuring year on year consistency of standards
- Submitting a report on the performance of the question papers

You must have at least five years current or recent teaching experience in STATISTICS or a related subject, with at least three years examining experience.

Much of the work is likely to be carried out at home, although attendance at some meetings in the Cambridge area will be necessary. Work will be undertaken throughout the year but the summer will normally be the peak period. Fees will be paid according to the specific requirements of the post.

Application forms are available from OCR Examiner Recruitment, Progress House, Westwood Way, Coventry CV4 8JQ. If you wish to apply for the position or obtain further information, please contact Shabana Ahmad on 02476 496 650.

The closing date for applications is 9 February 2007 with interviews conducted on 9 March 2007.
